□ □ □

Ocean transportation is an indispensable part of today's international shipping world. Global Inlotran., Corp has worked swiftly to ensure our infrastructure and personnel base supports the highest quality ocean transport services – far more than just port to port.

Via Global Inlotran., Corp you can easily get access to ocean freight services both for full container load (FCL) and less than container load (LCL). The company proposes flexible options for your choice, from sailing schedules, carriers, to pricing differentiation. In addition, with the supports from our customs brokerage service and inland forwarding networks we are able to offer you both inter-modal and door-to-door transport capabilities.

Whatever is your requirement, a customer-specific solution from Via Global Inlotran will ensure you of on-time delivery and within-budget cost.

As a freight forwarder experienced in and capable of moving all types of ocean freight, Andacson offers competitive freight rates and services.

Services include:

- LCL & FCL
- Door-to-door, Door-to-port and Port-to-door
